

# How to draw Kingsley

Step 1: Draw an upside down triangle and shade it in.

Step 2: Scribble in Kingsley's 'nose beard' and add two dot eyes. Include his 'on a mission' eyebrows.

Step 3: Draw Kingsley's hairline in with loose scribbly marks. Add his ears and his neck hair.

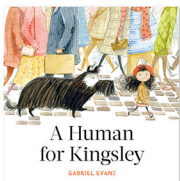

Step 4: Draw a curved line for Kingsley's back.

Step 5: Using big scribbly motions draw in Kingsley's shaggy body. Keep your lines loose and messy!

Step 6: Finish off with Kingsley scribbly tail, add four legs and nose whiskers.
